

38th Annual
SCCA Pocono Sports Car Grand Prix
Saturday and Sunday, August 16 & 17, 2008

On Saturday and Sunday, August 16 & 17, Pocono Raceway will be alive with race cars, pit crews, flaggers and fun as the Tri-Region Race Group (SCCA) hosts the "Pocono Sports Car Grand Prix."

Qualifying will begin early each morning. The racing action will begin mid morning and feature seven races each day. This weekend of racing will attract over 200 cars and drivers all running for national points and a place in the year-end SCCA National Championship Runoffs held at Heartland Park (Topeka, KS) in October.

Seven 45-mile racing events add up to 315 miles of highly competitive racing each day

View from the Grandstands or Infield. Visit the Paddock and talk to the Drivers. Get a close look at the drivers and at the teams as they prepare their race cars in the garage area.

Come for the clash of the Corvettes, Mustangs and Vipers. Check out the Formula cars and Sports Racers. Watch as Neons, Porsches and Miatas challenge the road course, banking and chicane.

One dollar from each ticket sold will be contributed to Lap to Conquer MS, a charity founded in 1989 by two members of Tri-Region to increase Multiple Sclerosis awareness through motorsports, while raising funds for the National MS Society. To learn more about LCMS, please go to www.lapstoconquerms.org.
